

HOW TO MAKE A BIRTHDAY CAKE KIT

Fill a disposable 9x13 cake pan with lid with: one box of cake mix, one can of soda, and one can of frosting (sprinkles make it extra festive!). Add a "Happy Birthday" cake topper and or candles, along with any other fun party items you'd like to include.

LET'S MAKE a Cake!

- Preheat oven and grease pan.
- Mix cake mix and 1 can of soda. No oil or eggs needed.
- Pour into prepared pan and bake according to box directions.
- Cool and frost.
